Understanding Your Benefits

- We will begin to pay benefits for covered services in any calendar year only after your deductible is satisfied unless otherwise specified.
- Once you have satisfied any applicable deductible, we pay a percentage of the allowed amount for covered services up to any maximum benefit. When our payment is less than 100%, you pay the remaining percentage. This is your **Coinsurance** (Member Responsibility).
- We do not reimburse Dentists for charges above the allowed amount. A **Participating Dentist** will not charge you for any balances for covered services beyond your deductible and/or coinsurance amount. **Nonparticipating Dentists**, however, may bill you for any balances over our payment level in addition to any deductible and/or coinsurance amount. You can find a list of providers at our Website or by calling Customer Service.
